

Name: _____

I want to Love and Obey God

God gives us his laws so we can live the right way. He helps us every day. I will obey him because I love him. Draw two pictures that show how you can obey God this week. Cut off this instruction strip and poke holes through the black circles at the top of the worksheet. Put a ribbon or string through the holes and secure it with tape, so that you can hang the worksheet up in your house. Color a star each day that you fulfill what you have promised.

This week I will:

Sunday

Monday

Tuesday

Wednesday

Thursday

Friday

Saturday
