Use these cards to remember the bible story. Imagine how the spies felt when they arrived in the land of Canaan. Do you think they were scared? Did Joshua and Caleb feel the same as the rest of the spies? What was the land of Canaan like? Who lived there? Show these cards to your family and tell them the Bible story you learned today.

Twelve spies went into the promised land of Canaan.

They all saw the same things, but they all had different interpretations of what they observed.
