# God Created the Seasons

On Student Activity Sheet 175a, cut along the dashed lines and then fold the page along the solid black line (pictures need to be facing out). Cut out the strip of Jesus below and fold the strip along the solid black line (pictures need to be facing out). Next insert this strip with the figures of Jesus through the openings on 175a. Move the strip up to see how Jesus ascended to heaven. Then, flip the page over, and move the strip down to see how Jesus will return to earth.
