God Loves Everyone Everywhere

“I now realize how true it is that God does not show favoritism but accepts from every nation the one who fears him and does what is right.” (Acts 10:34-35)

Draw a picture of yourself in the first frame. In the second one draw someone you love. In the last one, draw someone you don't know very well.
Option: Glue a piece of aluminum foil to the first frame to simulate a mirror. In the second, draw a picture of your family. In the third one, glue a picture cut from a magazine that shows people. Read the Bible verse and remember what Peter learned: God loves all people everywhere!
