

Make sure 187a and 187b are printed front and back onto one sheet of paper. Cut out the square along the dashed lines. Then cut along the dashed line between the two triangles. Fold the sheet along the solid line. Fold one triangle part back and another triangle forward to create a stage. Fold the picture of Elisha and the servant in the center. Place it on stage 1, and then on stage 2, as you tell the Bible story.
