

# Prayer Box

Make sure 191a and 191b are printed front and back. Then, on side 191a, cut along the dashed lines. Then, fold along the solid lines. Glue sections B and C behind A. Glue sections E and F behind D. Cut out the praying hands below. Glue one of the hands to each side of your prayer box (see the example). Decorate the box using crayons or colored pencils. Then draw or write prayer requests on small pieces of paper, and put them in your box. Invite your family members to do it too. Each day choose a prayer request and pray for it. Remember that Jesus gave us the example of how we should pray.
