# The Bible is God's Special Book

For this activity, make sure that Student Activity Sheets 194a and 194b are printed front and back. This activity will be used throughout Unit 44 (lessons 194 - 197). Each week the children must cut out and add the designated figure below to the inside of their bible (194a) using tape or glue. At the end of each weekly lesson, (194 - 196), the teacher needs to collect the Student Activity Sheets to be used for the following week. At the final lesson (197), the children will have the opportunity to take it home. Encourage them to attend regularly to complete their project.
