Zacchaeus Changed when He Met Jesus

Cut out the strips and the picture of Zacchaeus below. Connect the strips by gluing end A to end B. Glue the middle of the figure of Zacchaeus to the middle of the combined strip, so that his belt section covers the letters. Cut the dashed lines marked on the tree. Insert the ends of the strip through them. Fold the ends backwards along the solid lines. Move Zacchaeus up and down to simulate that he is going up and down the tree.
