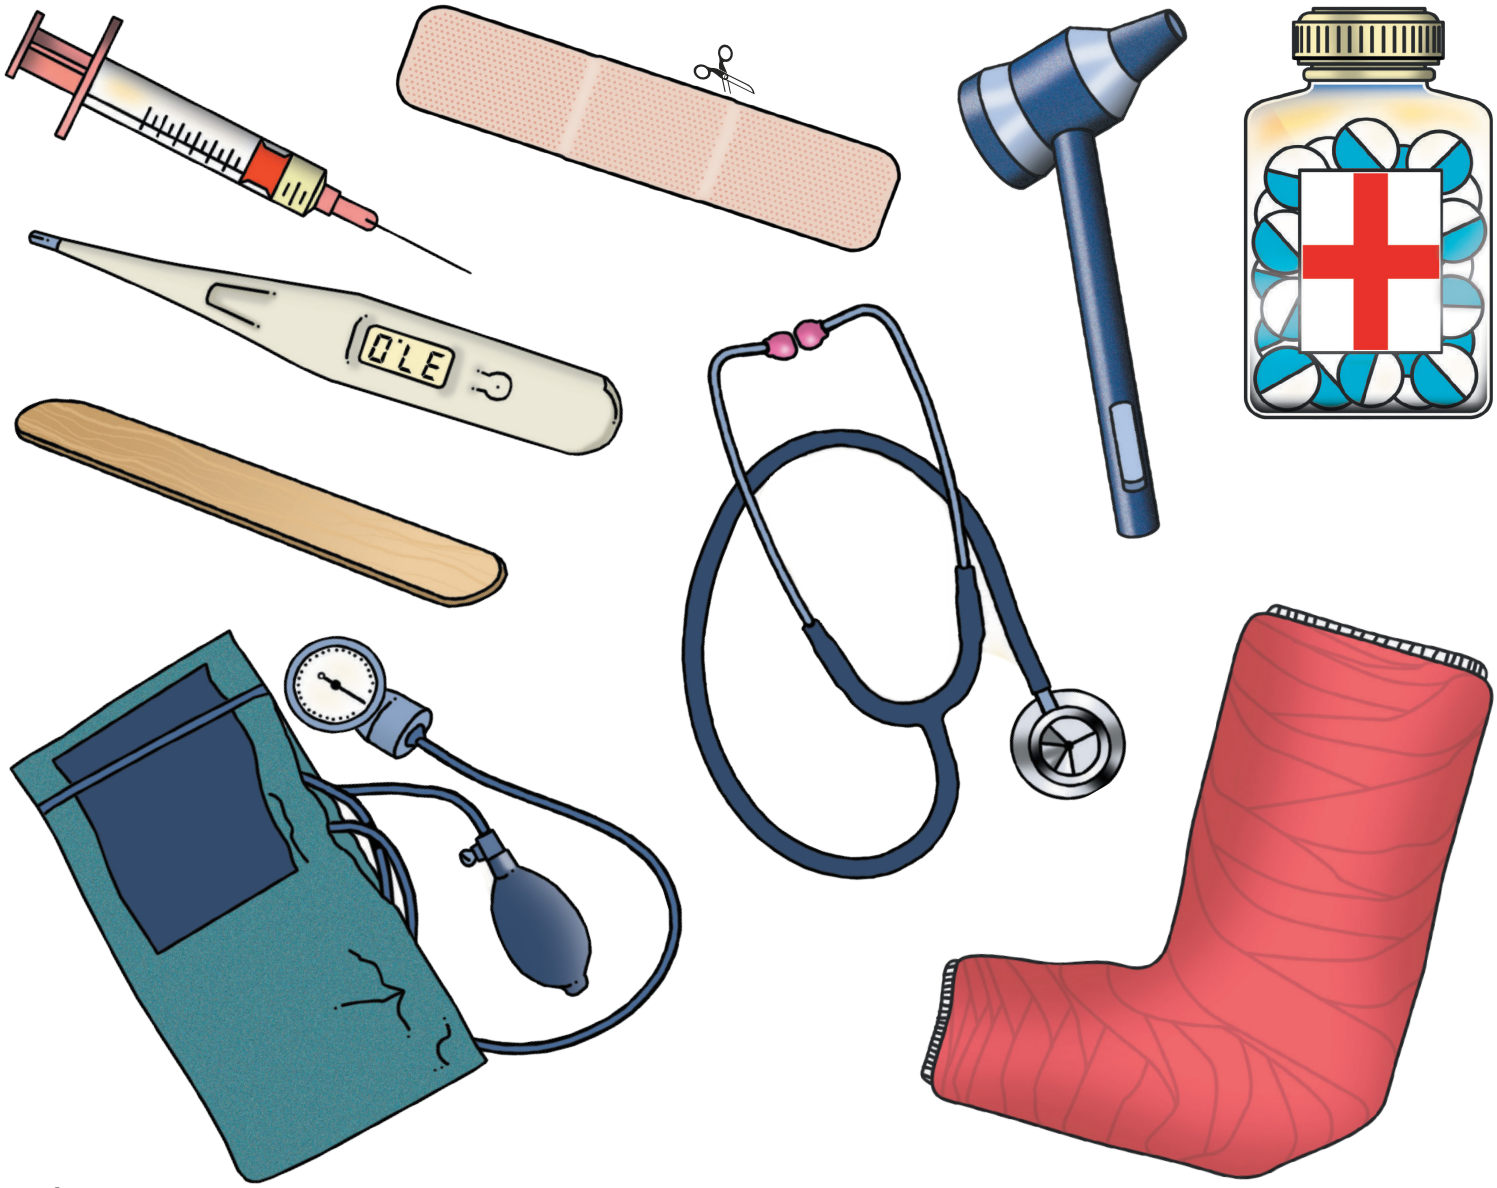
A Doctor Uses...

These are things a doctor can use to help you heal. 1) Cut out the message and the pictures while explaining what each instrument is used for. 2) Paste each drawing and the Message on a colored sheet of paper. 3) Use this activity to remind you that Jesus is the great healer.



Amazing Healer!

God is the only one who can heal us. Jesus, the Son of God, did not need tools. He could heal without medicine because he is the Son of God.
