

Name: _____

Round and Round

Cut out the wheel below and glue it to a piece of cardboard of the same size to make it more durable. Use a paper clip and a 2-legged paper fastener (brad) to make a spinner.

- Spin the spinner.
- Read the word that the spinner lands on.
- Find where the word belongs on the spaces below.
- Write the word in the correct space.
- What does God do?

_____ keeps his
_____ to
those who _____ in
Him and _____ Him.
