

Choose to Obey

Makes sure that Student Activity Sheets 246a and 246b are printed front and back. Next, cut out the four puzzles (see the next page). Then put them together. Answer the following questions:

• How did Noah obey God? • How can you obey when you're at school? • How can you obey when you're at home? Once you have answered the questions think of something you could do this week to obey God.

To Obey
is to do what
God tells
us to do.
