

INSTRUCTIONS FOR THE TEACHER:

- 1. Let your students color the rainbow or decorate it with glitter or colored pompoms or whatever else you have to decorate with. Cut out the rainbow and bend it to form a cylinder. Then glue the edges in place.**
- 2. Punch out the two circles at the top making two small holes. Put a piece of yarn or narrow ribbon 75 cm. long through the holes and tie a knot at the top.**
- 3. Give the children 4 ribbons of different colors to glue to the bottom of the cylinder.**
- 4. Let each child take their windsock home to hang in their room. Tell them: "Hang this rainbow in your room to remind you that God always keeps his promises. We can trust God because he will always take care of us."**
