Crossing the Red Sea Instructions

Instructions for Student Activity Sheet 254a:

1. Cut along the dashed lines. You will end up with three pieces.
2. Take the two smaller pieces and fold back along the solid lines.
3. Put glue on the areas that say "put glue here".
4. Then on the larger rectangle piece, place the two smaller pieces along the solid line where it says "Place glued item here."
5. You will see the Israelites walking through the red sea on dry land. Tell your family the story of how God saved the Israelites when they crossed the Red Sea.
