

**INSTRUCTIONS:**

1. You will need a paper plate and some fine wire or string for this activity.
2. Allow your students to color their paper plate. Cut out the puzzle and the message. Who can you trust to help you? Paste the message on the back of the plate.
3. Cut out the pieces of the puzzle. Put the puzzle together and glue it on the front of the plate.
4. If you would like, cut a fringe along the edge of the plate. Use a pencil to curl the fringe up.
5. Punch two holes in the top of the plate. Put a thin wire or a string through the holes, as seen in the example.
6. Hang the picture in your room. Remember that Esther prayed and asked for God's help. You can also ask for God's help when you go through difficult times.
