

# Christmas Cutouts

Make the Christmas scene. Make sure Student Activity Sheets 260a and 260b are printed front and back as well as 260c and 260d are printed front and back. 1. Cut out the field along the dashed lines. 2. Fold the field along the solid lines so that it can stand up by itself. 3. Cut out the the figures below. 4. Cut out the slots on the angel and then place the angel at the top of the scene. 5. Glue or tape the flap of the angel to the back of the scene. 6. Use the field with the figures to tell how the Shepherds heard about Jesus' birth.
