

# God Wants Families to Show Love

The lessons of this unit will help your child understand that God wants families to love and take care of each other. God loves everyone equally. The Bible stories of this unit tell us about Joseph's family. Talk with your child about God's love. Encourage your family to love in the same way that God loves us.

**Instructions:** Trace the Word of Faith (Loves) with a pencil or crayon. Then color in the shapes with the blue circles to reveal the hidden word Below.

Instructions: Make copies of the rectangle below. Your students can color them and use them to write letters to family members and express how much they love them; or they can give them away to be used as bookmarks.
