

# Verse of the Month Club

You can be a member of the Verse of the Month Club! Cut out the cards that have the Bible verse for each month printed on them. The verses are: Matthew 9:37-38, Luke 10:27 and Matthew 6: 9-13. These cards will help you memorize the verses.

You can get a star on your certificate as you learn the verses, one for each month. And on the last Sunday of the quarter, give your teacher the certificate so he/she can put the stars on for you.
