

LOVING THOSE WHO DON'T LOVE US

Memory Verse: "Love your enemies, do good to those who hate you, bless those who curse you, pray for those who mistreat you." (Luke 6:27-28)

Why do you think these people are being sought? Think about it and write it on the line below the drawings in the blank space. Then draw in the blank box who you consider to be your enemy. (Don't mention names of real people.)

Would you love someone like this?
