

3 We believe in one God, the only true God. Our God is triune, that is, three persons but one God: God the Father, God the Son and God the Holy Spirit. God always was and always will be. Jesus Christ, God the Son, died for our sins. God raised him from the dead. Only by faith in Christ can our sins be forgiven.

4 We believe in God, the omniscient, who is full of love. Jesus was a man who introduced Christ (the true idea of God) to the world. Jesus was special because he represented the true idea of God better than anyone.

5 We believe in Jesus Christ. He came to earth to save men. However, Jesus didn't finish his work. After he died on the cross, his disciples turned him into God.

6 We believe in Christ. In all of us there is an awareness of God, a Christ. We must find Christ within us.

Which of these statements is consistent with what John wrote, which was inspired by God?

Which of these statements is consistent with the statement of the first Christians in the Apostles' Creed?
