

# Jeremiah Proclaims the Word of God

This is the last week in which “Bible” will be our Word of Faith. Continue using it in your everyday conversations with your child. Ask him/her about the Bible story of the day (Jeremiah 36:1-10).

**Instructions:** Have the child trace the Word of Faith (Bible). Encourage the preschoolers to color the illustration. Glue the hand with pen that is below onto Baruch’s hand to represent when Jeremiah dictated the Word of God to him.

Review the story as you do the activity, and invite the children to ask their parents to read the Bible with them during the week.
