

The Power of God on Mount Carmel

Today your child learned about how God helped Elijah defeat the prophets of Baal. God sent fire from heaven to burn up the altar that Elijah had prepared, and all the people believed in the incredible power of God (1 Kings 18:16-39). Point out each flame of fire and repeat with your child each word of the memory verse. Help him/her to trace the Word of Faith, and explain to them that the power of God is infinite and there is nothing that compares to it in the world.

Instructions: Prepare pieces of gray, red, and blue colored paper for this activity. Allow them to write their name, and trace the Word of Faith "Power" and the numbers on the pitchers. Then give them time to glue pieces of blue paper at the base of the altar, as if it were water. The gray paper cut into squares, they will use it to place on the stones, and the red one for the flames of fire.
