

Dear
Parents:

Today your child learned about Joseph and Mary's journey to Bethlehem and Jesus' birth in the stable (Luke 21:1-7, 21). Tell your child that God loves them so much. That's why God sent Jesus, His only son. Remind them that Christmas is a special time that we celebrate and give thanks to God for Jesus' birth.

Instructions: For this activity you will need a paper fastener. Help your child cut out both circles. Put one on top of the other, taking care that they are well aligned. The circle with the Bible verse must go on top of the one with the figures.

Then connect them through the center with a paper fastener. Encourage the children to rotate the upper circle, and remember the Bible story using the drawings.
