

# Jesus Teaches Us not to Worry

Name: \_\_\_\_\_ LESSON 53  
Jesus Teaches Us not to Worry

**JESUS** teaches us many things.

How many flowers are there? **3**      How many birds are there? **2**

Jesus teaches us that God cares for us.

Today our class studied the first of four lessons about how Jesus teaches us to live. We learned that God takes care of birds and flowers, and therefore we can trust that he will also take care of us.

Before class, gather Student Activity Sheet #53-A and #53-B. Cut out the bird prints below and have a set for each child. Allow time for the children to glue the birds to the picture, color the flowers, and trace the numbers and words outlined on the activity sheets. In class, explain that in each unit there is a different word of faith to study. The word for this unit is JESUS. Encourage the children to take home the activity sheets and use them to share the lesson with their family and friends.
