

The Parable of the Prodigal Son

Instructions:

1. On activity sheet 65b, have your students trace the key word and write their name in the box. Have them color the pictures and glue the cutout of the pig onto picture #3.
2. Help your students talk about what order the pictures go in according to the Bible story.
3. Help each child cut out the four pictures along the dotted lines. Then glue them in the correct order onto a piece of construction paper. (See the example.)
