

# Jesus Shares a Special Meal

LESSON

66

In today's lesson, the children learned about a very special meal that Jesus shared with his disciples — The Last Supper found in Mark 14:12-26. They learned the importance of sharing and being a helpful neighbor. Encourage your child to remember the Bible story by having them tell the story to your family.

Instructions:

1. Give each child an attendance sheet and have them write their names in the space provided.
2. Cut out the heart below for today's lesson. To keep track of attendance, every week provide time for the children to glue the heart for that week on the attendance sheet.
3. Hang the attendance sheets on the wall or the blackboard.
4. During the final class of the unit, give the children their attendance sheets and ask them to draw a heart on Jesus' tunic. After the final lesson of the unit, let the children take the attendance sheet home.
