

We Give Thanks To God

LESSON

70

Today we began the first of four lessons about prayer. Prayer is freely talking with God. Your child learned that the people of the Old Testament prayed when they were grateful to God (Psalm 136:1-9, 26). We spent time in class today praying and thanking God for what he has given us. Ask you child to explain the picture they drew below of something they are thankful for. Have them also trace in the words. Take time during the week to pray with your child, thanking God for the things in their picture.
