

# Paul Preaches to the Romans about Jesus

LESSON

87

## Instructions:

1. Give each student a worksheet and ask them to color it and then cut out the puzzle. Then have them put it back together.
2. While they are working, tell them how Paul told the Romans the story of Jesus.
3. Review the memory verse: "Live a life of love. Love others just as Christ loved us." (Ephesians 5:2 ICB).
4. Give each child an envelope or plastic bag to store their puzzle in and to take home. Encourage them to use it to tell their family what they learned from today's lesson.
