

# Jonah Makes the Wrong Decision

Today we continued to learn about the decisions that God wants us to make. In our Bible story, Jonah made an incorrect decision (Jonah 1:1-2:10). He chose to disobey God and run away. Talk with your child about what it means to obey God and remind them that being obedient is always the right decision.

## Instructions:

1. Allow time for your students to write their names, and color the boat and the people.
2. Have them cutout the picture of Jonah in the water and paste the top edge to the designated area with glue or tape. Then have them flip the paper up and down to see when Jonah is thrown from the boat.
3. Next, have them cutout the big fish and let them glue it on to their picture.
4. Using the worksheet, review the Bible story and what the result of Jonah's decision was.
