We Show His Love When We Help Others

LOVE We must show love to others. God loves everyone.

"...let us love one another, for love comes from God." —1 John 4:7

In this lesson your child learned about a woman called Tabitha, who loved Jesus and helped other people by making dresses and robes. One day Tabitha became ill and died. Her friends were very sad and asked Peter to go to her house. God worked a miracle through Peter and showed his love to Tabitha by restoring her life.

Instructions: Cut out the two pictures below and give them to your students along with the worksheets. After the children have written their name and traced the word of faith, ask them to glue the pictures in the corresponding places according to the Bible story.
